2026-2027 Academic Year Registration Procedures for International Students

International student candidates who applied to our University for the 2026-2027 Academic Year and gained the right to enroll from the waiting list must complete their registration in person or through a notarized representative at the University's Registrar's Office on September 10 2026 between 08:30-17:00 and on September 11 2026 between 08:30-12:30, with the required documents listed below.

The registration process for candidates admitted from the waiting list will end at 12:30 p.m. on 11 September 2026. If vacant quotas remain, candidates whose application status is shown as "WAITING LIST" in the application system and who wish to apply for one of the programs they previously selected may submit their applications to the University's Registrar's Office in person or through a notarized representative with the required documents between 1:00 p.m. and 5:00 p.m. on September 11, 2026. Following the completion of the application period, applicants will be ranked according to their admission scores for the relevant program, starting from the highest score, and will be placed into the remaining vacant quotas accordingly. (Country quotas will not be applied during this placement process.) Candidates who are accepted will complete their final registration after the placement results are announced and the required tuition fee has been paid.

Classes for the **2026–2027 academic year** will begin on **21 September 2026**. Newly enrolled international students will complete their course registration online within the course registration period specified in the academic calendar.

International students are required to pay the tuition fee of the program in which they will enroll. The tuition fee must be paid in full via EFT or bank transfer to the Vakıfbank account of the “İzmir Bakırçay University Department of Strategy Development” with IBAN number TR78 0001 5001 5800 7307 6807 48, before coming to the university for final registration. When making the payment, it is mandatory to write the student’s first and last name and passport number in the description/reference section of the bank receipt. In addition, any bank transfer or transaction fees incurred during the payment process must not be deducted from the tuition fee. The full tuition fee must be received in the University's account. If the amount received in the University's account is less than the required amount, the student's registration will not be processed.

International student candidates who have been admitted to enroll at our University in the 2026-2027 academic year have to certify that they have Turkish language proficiency at the C1 level in order to start their courses in the programs they have registered. Students who enroll in a program whose language of instruction is Turkish, but whose Turkish proficiency is insufficient or who do not have a Turkish proficiency document, must take the Turkish Proficiency Exam, which will be held by DILMER on **16 September 2026**, at the beginning of the academic year in which they are registered. Students who score 70 (seventy) points (C1) and above in this exam are considered to be proficient in Turkish and will be able to start their education in the program they are registered in. As Turkish Proficiency Certificate, Yunus Emre Institute documents obtained within the last two years prior to the date of registration are also valid.
